REVIVE: THE SPA EXPERIENCE AT JW MARRIOTT DESERT RIDGE
RESORT & SPA

-- *Guests Unwind With Luxurious Spa Experiences in a Tranquil Desert Retreat
at Revive Spa* --

PHOENIX, Ariz. -- The soothing Sonoran desert of JW Marriott Desert Ridge Resort & Spa serves as the ideal backdrop for the resort's 28,000-square-foot Revive Spa, honored in *America's Best Hotel and Resort Spas* by Mobile Travel Guide.

Complete with 41 elegantly appointed treatment rooms, the spa features a two-story rotunda with a central water feature that flows directly underneath the open skylight two floors above, capturing the grand volume of space. This earth-to-sky connection celebrates the resort's one-of-a-kind setting and embraces the splendor of the outdoors.

Wrought iron banisters, fiery copper and tactile stone blend together to highlight the elements of fire, water, earth and sky in this lush desert retreat. Indeed, Revive Spa mirrors its beautiful and subtle, yet powerful mix of desert elements.

Revive Spa offers a diverse menu of spa experiences that incorporate beautiful, tranquil settings and indigenous flora into signature treatments where ancient rituals join cutting-edge techniques. Treatments run the gamut from Swedish massages and facials to such innovative body treatments as the Sami Zen, which creates a healing experience that energizes every cell in the body using traditional Jojk music and warm birch oil.
