REVIVE SPA SUMMER PAMPERING PROVIDES COOL DEAL

PHOENIX -- Escape the heat this summer with refreshing treatments and a cool deal at the JW Marriott Desert Ridge Resort's Revive Spa.

From June 1 through Sept. 30, experience one treatment and receive half off a second treatment scheduled on the same day for you or a friend.

Enjoy Revive Spa's hydrating Turquoise Facial that offers skin the benefits of active elements in pure essential oils and botanical extracts. The cooling and anti-inflammatory effects of the soothing treatment help to combat redness and sun exposure. A refreshing facial massage using turquoise gemstones further calms the skin.

To continue your ultimate day of pampering, treat yourself to Revive Spa's signature Turquoise Massage. The treatment begins with a loofah exfoliation to stimulate and refresh the skin. The deeply penetrating massage uses turquoise, sage and wild mint to balance and re-hydrate the body. An energy ritual using desert sage to cleanse the aura and turquoise gemstones to soothe and strengthen emotions concludes the relaxing treatment.

Before or after treatments, Revive Spa-goers will enjoy complimentary access to indoor relaxation rooms, secluded patios, outdoor celestial showers, sauna, steam room and whirlpool. Revive Spa guests are also invited to use the spacious, fully-equipped indoor fitness club and relax at the inviting Sanctuary swimming pool lined with rows of towering palms.
